You Asked for:

I am trying to find out whether there has been an increase in babies aged 0-12 months being diagnosed with eczema over the last 5 years. Specifically in the years 2012, 2013, 2014, 2015 and 2016.

Our Response:

The data provided is from 1st April 2013 to present as NHS Wirral Clinical Commissioning Group did not become a statutory body until 1st April 2013 and therefore unfortunately does not hold information from before this time.
