## Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 31<sup>st</sup> March 2016.

### You Asked for:

I would like to request meeting minutes of the Drug and Therapeutics Committee from the past. I am looking to gather information on when various formulary related decisions were made. I was not able to find this on the CCG website. I am not sure how many years you hold this information for, but it would be good if you can send it at least from 2011 please. Can you please provide copies of these meeting minutes?

### Our Response:

The Wirral Drug and Therapeutics Committee is a joint committee between Wirral University Teaching Hospital NHS Foundation Trust Hospital and NHS Wirral Clinical Commissioning Group. The lead medicines management pharmacist at Wirral University Teaching Hospital NHS Foundation Trust is the appointed secretary to the committee and they organise and hold the minutes. Therefore I would suggest contacting Wirral University Teaching Hospital NHS Foundation Trust on: [wih-tr.AccessToInformationOffice@nhs.net](mailto:wih-tr.AccessToInformationOffice@nhs.net).
