Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 28th April 2016.

You Asked for:

- How many Tier 3 centres do you have?
- Where are they? (A list of specific locations (cities/ towns/ villages))
- How many are:
 - o In primary care
 - o In secondary care (hospital setting)
 - o Primary/ secondary
 - o Other
- Please give examples of “other” settings.
- If in a hospital setting, are they:
 - o Attached to a bariatric surgical unit?
 - o Adjacent to a bariatric surgical unit?
 - o Within a bariatric surgical unit?

Our Response:

Due to the decommissioning of the Livewell programme by Wirral Local Authority, which provided an adult lifestyle and weight management service, NHS Wirral Clinical Commissioning Group are currently in the process of re-commissioning the tier 3 service in line with national guidance and therefore at this stage we are unable to answer any of the above questions.

NHS Wirral Clinical Commissioning Group would hope this service will be fully functioning by summer 2016.
