Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 26th April 2016.

You Asked for:

I have a Freedom of Information request relating to the new care models vanguard project of which NHS Wirral CCG is a member.

Under the FoI Act, please send me the latest “value proposition” produced by the Wirral Partners PACS vanguard.

For information: vanguard sites have been required to produce “value propositions” for national leaders. These set out how any additional funding to support the vanguard work will be spent, how much is needed, and what the return on investment would be. The most recent value propositions were submitted in early 2016.

Our Response:

Please see the attached ‘Value Proposition’ document for Wirral Partners for 2016/17. Please note that since the submission of this document, Wirral Partners have been made aware that the funding for 2016/17 is approximately 98% less than in 2015/16 and hence many of the schemes outlines in the ‘Value Proposition’ will now need to be reviewed.
