Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 12th May 2016.

You Asked for:

Information about Mental Health in Fathers following the birth of a child.

Our Response:

Unfortunately NHS Wirral Clinical Commissioning Group (CCG) do not routinely collect data about the number of Perinatal referrals for men following the birth of a child. However, you may be able to find further information on the HSCIC website. <http://www.hscic.gov.uk/>

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

For information where the copyright is owned by Wirral Clinical Commissioning Group please e-mail foirequests.nhsWirralccg@nhs.net to request a reuse licence.

For information where the copyright is owned by another person or organisation you must apply to the copyright owner to obtain their permission.
