Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 22nd August 2016.

You asked for information regarding after care packages:

- The number of after care packages under Section 117 of the Mental Health Act 1983 each financial year from 2013/14 to 2015/16 and at the beginning of 2016/17 at NHS Wirral CCG.
- Can you break down the above figures by whether the patients were detained under the act or part of a community treatment order (CTO)?
- The amount spent on after care packages for people leaving detention and on CTOs commissioned under Section 117 of the Mental Health Act 1983 each financial year during the same period.
- Can you break down the amount spent by whether the patients were detained under the act or part of a community treatment order (CTO)?
- The length of time patients are provided after care, broken down by people being discharged from detention or on CTOs.

Our Response:

Please see attached spreadsheet which has been updated with the required information.

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
