**Re: Freedom of Information Request**

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 8<sup>th</sup> November 2016.

**You asked for information on domiciliary services for medicines review and palliative care:**

I am currently setting up (1) domiciliary visiting medicines review (focussing on both medicines optimisation and medicines adherence) and (2) palliative care services (to ensure the timely and appropriate availability of end of life medicines) using the community pharmacy network and GP practice based pharmacy network, working in conjunction with our NHS community services teams.

I am therefore writing to ask if you could send me any reports (service specifications, audit reports, service evaluations etc.) which you may have relating to any services of a similar nature delivered in your area.

**Our Response:**

Please note that NHS Wirral Clinical Commissioning Group does not hold this information and I would therefore suggest for you to contact the provider organisation Wirral Community NHS Foundation Trust directly. I have included their contact information below:
