Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 17th November 2016.

You asked for information on shared records and digital road maps:

1. Who, within your organisation is the decision maker responsible for the community-wide Shared Record/Clinical Portal/Interoperability solution?
2. Will you please provide an email address for this contact?
3. Does your organisation currently have a solution in place whereby you are able to share patient information across the local health economy?
4. If 'yes' to the above, please name the solution supplier?
5. If you answered 'no' to question 3. is your organisation actively looking for a solution?
 - a. If the CCG is actively looking for a solution as described in Q1, what are the probable timescales?
 - b. What is the route to procurement/purchase?

Our response:

The Lead Officer for shared records in Wirral is the Director of IT and Information, who is employed by Wirral University Teaching Hospital NHS Foundation Trust (WUTH). I have included their contact details below for you to contact them direct:

Email address: wih-tr.AccessToInformationOffice@nhs.net.
