Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 30th November 2016.

You asked for information on Oral Nutritional Supplements:**Your annual spend on Oral Nutritional Supplements as a proportion of your total annual drugs spend.**

The annual spend on 'Oral Nutrition' (BNF Section 9.4) in 2015/16 was £2.3m and this represented 4% of the total annual drug spend

Please note, 'Oral Nutrition' is a very broad term and the data includes 'Oral Nutrition' which is BNF section 9.4. If this is not what is requested, can you provide more specific criteria?

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
