Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 23rd December 2016.

You asked for information on GP's who work at the CCG:

1. Names of the GP
2. Business email address of the GP

*Please note that I am not looking for information about GPs from GP Practices in your local district as that is outside the scope of my intended use of this information. Instead, I only need information about GPs who are directly involved in **different** decision-making routines at your local CCG (NHS Wirral CCG). What this means is that, all that I need is a list of names and business email addresses of individual GPs involved in various decision-making Committees at your local CCG administration level.*

Our Response:

Information relating to NHS Wirral Clinical Commissioning Group's (CCG) Governing Body and GP Clinical Leads can be found on the CCG's website. I include a link below to the relevant section for your information:
