Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on Thursday 8th January 2015.

You Asked for:

Under the Freedom of Information Act, I would like to know the number of contractual disputes the Clinical Commission Group or its predecessor body has had with its IT suppliers. I would like this data broken down in to 12-month periods ending December 31.

I would like data going back three years (from 2012). If this is not possible, please supply two years of data (2013 and 2014).

If the year end (December 31) makes responding to this request difficult, please base the response on the Clinical Commission Group's annual report/financial accounts.

If the Clinical Commissioning Group does not hold this data, I would like to know the monetary value of any writedowns, exceptional items, extraordinary charges, or other costs relating to the supply of ICT goods or IT services the Clinical Commission Group has made in relation to its IT suppliers. I would like data going back three years (from 2012). If this is not possible, please supply two years of data (2013 and 2014).

If the year end (December 31) makes responding to this request difficult, please base the response on the Clinical Commissioning Group's annual report/financial accounts.

If in doubt, you can judge a contractual dispute as a legal dispute or claim that has been issued by either the supplier or the Group or where mediation or arbitration has been used.

Our response:

NHS Wirral Clinical Commissioning Group does not have any issues recorded within the specified time within your request.

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).
