Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 4th February 2015.

You Asked:

I am currently gathering information to start our work and I wondered if you would be able to assist me with some information.

I am aware that Wirral CCG currently have 58 GP practices within their area, however, could you please tell me, how many of the 58 have:

- Walk-in clinics
- Out of hours service
- What community facilities are offered (Midwife, children's services, day surgery etc)

Would you also be able to tell me how many GP's are in each clinic?

Unfortunately NHS Wirral Clinical Commissioning Group (CCG) does not hold this information and I would advise for you to contact NHS England, directly for this information. I have included their email address for you below:

England.contactus@nhs.net

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).
