Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 1st December 2014.

You Asked for:

The most recent and complete monthly performance report submitted by your Out of Hours GP provider. As highlighted in the report titled: 'Out-of-Hours GP Services in England' and published by the National Audit Office on page 29, point 3.6 : "Clinical commissioning groups use the national quality requirements to monitor performance. Our survey found that 98 per cent of those clinical commissioning groups that manage a contract received information on performance against at least some of the requirements. The vast majority (87 per cent) received this information at least monthly."

Here is the link to that report for reference: <http://www.nao.org.uk/wp-content/uploads/2014/09/Out-of-hours-GP-services-in-England1.pdf>

Our response:

Please see the attached document.

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).
