Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 12.02.2015.

You Asked for:

1. Did your Clinical Commissioning Group commissioned any form of fracture liaison services in 2013/14 and 2014/15, and is it planning to commission them in 2015/16?
2. How much did your Clinical Commissioning Group spend on fracture liaison services in 2013/14 and 2014/15, and how much are you planning to spend on such services in 2015/16?
3. How many people used fracture liaison services commissioned by your Clinical Commissioning Group in 2013/14 and 2014/15 (to date)?

Our Response:

1. Our Clinical Commissioning Group did not commission any form of fracture liaison services in 2013/14 and 2014/15 and is not planning to commission them in 2015/16.
2. There has been no spend on fracture liaison services for 2013/14 or 2014/15 and there is no planned spend for 2015/16.
3. As the Clinical Commissioning Group does not commission a fracture liaison clinic, number cannot be provided for how many people have used the service.

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).

Yours sincerely

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
