Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 27th February 2015.

You Asked for:

We would like to request the following information as we were not able to find this on your website or within the general formulary link we have for Wirral CCG.

1. Link to the Formulary that contains Infant Nutrition Products.
2. Please provide the Formulary document and guidelines that contain Infant Nutrition product prescribing recommendations.
3. Does your organisation use any external guidelines with ref to Infant Nutrition (eg PrescQIPP) or share guidelines with any other NHS organisations?

Our Response:

Wirral Clinical Commissioning Group does not currently have a formulary specifically for infant nutrition. This patient cohort would usually be under the care of paediatrics in secondary care.

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).

Yours sincerely
