Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 10th March 2015.

You Asked for:

1. What services are available to support your populations to change their lifestyle behaviours (including smoking cessation, healthy eating, maintaining a healthy weight, physical activity and drinking responsibly)?
2. Are these services accessible by people living with or beyond cancer?
3. Do these services follow the appropriate NICE guidance?
4. How are these services delivered i.e. face to face (individual or group); digitally (text, email) etc?
5. Are there any inclusion or exclusion criteria?
6. How long does the service last i.e. how long is an individual supported to change their lifestyle behaviour?

Our Response

Unfortunately NHS Wirral Clinical Commissioning Group does not hold this information. I would suggest that you redirect your request to the following organisations:

Wirral Community Trust
FOI@wirralct.nhs.uk

Public Health England
FOI@phe.gov.uk

I hope this sufficiently answers your FOI enquiry however if you require any further information please do not hesitate to contact a member of the FOI team (contact details at the top of this letter).

Yours sincerely
