Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 16.02.2015.

You Asked for:

I would like some data around post natal depression from CCG. I was hoping I could get a report from you to show the numbers of people who have PND in the whole of South Wirral rather than individual GP practices.

Our Response:

Unfortunately NHS Wirral Clinical Commissioning Group (CCG) does not hold this information. I would advise you contact Cheshire Wirral Partnership on FOI@cwp.nhs.uk for more information.

Yours sincerely

Laura Wentworth
Corporate Affairs Manager
NHS Wirral Clinical Commissioning Group

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

For information where the copyright is owned by Wirral Clinical Commissioning Group please e-mail foirequests.nhswirralccg@nhs.net to request a reuse licence.

For information where the copyright is owned by another person or organisation you must apply to the copyright owner to obtain their permission.
