Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 7th July 2015.

You Asked for:

1. Which of these procedures do you offer freely and which on an individual basis for those patients with facial palsy?
 1. Botox injections for synkinesis or facial asymmetry
 2. Static Therapies (4 procedures)
 - browlift
 - canthopexy/ canthoplasty
 - static facial slings
 - face lifts
 3. Dynamic Therapies: (2 procedures)
 - sliding temporalis myoplasty
 - cross facial nerve graft and free muscle transfer (facial reanimation)

If you only offer these on an individual evaluated basis why is this?

Our Response:

Please refer to NHS Wirral Clinical Commissioning Groups Procedures of Low Clinical Priority document which can be found by following the below web link:

<https://www.wirralccg.nhs.uk/About%20Us/PLCP.htm>

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
