Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 28th July 2015.

You Asked for:

All initiatives in NHS Wirral CCG's 2015-16 QIPP plan which are intended to produce a reduction in acute emergency activity.

Our Response:

NHS Wirral Clinical Commissioning Groups QIPP plan for 2015-16 is targeted at a range of improvements but none that are specifically aligned to reductions in emergency activity. The economy wide workstreams in relation to this area are coordinated through the relevant schemes within the Better Care Fund, Wirral Wide Urgent Care Recovery Plan and the initiatives of the Wirral Systems Resilience Group.

The QIPP Plan is predominantly focused on areas of Planned Care , Market Management and Prescribing Expenditure.

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
