Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 24th August 2015.

You Asked for:

Please tell me how much money the CCG has paid out, either to a patient or to the estate of a deceased patient, who was found to be retrospectively eligible for Continuing Healthcare payments.

Please tell me how many patients these payments apply to in each year since April 2013.

Our Response:

The total payments made in settlement of cases where patients are found, retrospectively, to be eligible for Continuing Healthcare cases is £1.2m. Please note that for cases which relate to periods of care prior to April 2013 these settlements are funded by NHS England through a national risk pool contributed to by CCGs and do not appear as individual settlements in the CCG's accounts
