Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 6th December 2015.

You Asked for:

Within the CCG, Is it currently possible for patients to contribute information from their Apple HealthKit or Google Fit to the personal health record held by their GP?

If so, how many patients are currently contributing health data from Apple HealthKit or Google Fit to their personal health records?

Has the CCG looked into the possibility of integrating data from Apple HealthKit or Google Fit into patient's health records in future?

Our Response:

NHS Wirral Clinical Commissioning Group are unable to answer this question I would suggest that you contact NHS England on:

england.contactus@nhs.net

(Email requests sent should state 'Freedom of Information' in the subject line).

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
