## Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 2<sup>nd</sup> August 2016.

### You asked for information about the contraceptive pill.

1. In Wirral how many women, since 1980 (or from the date you began to hold these records), have reported depression to their GP which they believe is a consequence of taking the contraceptive pill/or which their GP has identified as such?
2. In Wirral how many women, since 1980 (or from the date you began to hold these records) have reported anxiety - of some form - to their GP which they believe is a consequence of taking the contraceptive pill/or which their GP has identified as such?
3. In Wirral how many women, since 1980 (or from the date you began to hold these records), have sought help from their GP for decreased libido which they believe is a consequence of taking the contraceptive pill/or which their GP has identified as such?
4. How many women in Wirral are currently being prescribed the contraceptive pill and anti-depressants simultaneously?
5. How many women in Wirral are currently being prescribed the contraceptive pill and beta blockers simultaneously?
6. How many non-fatal cases of DVT have been reported in Wirral by women who are currently or have previously been taking the contraceptive pill?
7. How many fatal cases of DVT have been reported in Wirral by women who are currently or have previously been taking the contraceptive pill?

### Our Response:

Unfortunately NHS Wirral Clinical Commissioning Group (CCG) does not hold this information. Please note that this information is held by Public Health England and I have included their contact information below should you wish to contact them directly:

Public Information Access Office
