6. The total gross spend annually based on the above clinical categories

Our Response:

Please find the information you have requested in the attached excel spreadsheet

Please note that following;

- We are only able to provide a current snapshot due to the reporting restraints with our database.
- We are unable to match up patients with multiple packages.
- We do not record autism or younger age-onset dementia specifically.
- We are currently unable to provide accurate figures for Aquired Brain Injury, this is a new field on our database and has not been made mandatory.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Yours sincerely
