Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 29th May 2018.

You Asked for:

1. Which mental health groups, projects and services is your CCG giving less money to in 2018-19, and how much less is it giving to each of them?
2. Can you please send me a copy of the minutes of whichever meeting(s) these cuts to mental health groups, projects and services were agreed?
3. How much money in total does your CCG hope to save through these reductions in financial support to mental health groups, projects and services?

Our Response:

NHS Wirral Clinical Commissioning Group (CCG) is not disinvesting in Mental Health Services in 2018/2019.

In 2017/2018 NHS Wirral CCG invested £54.5million in Mental Health and the planned investment in this year (2018/2019) is £55.8 million.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Yours sincerely
