## Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on the 30<sup>th</sup> January 2019.

### You Asked for:

Is it possible to point me to an organisation chart so we know where we sit under the CCG?

### Our Response:

Please find the attached document which details which GP Practices are in each of Wirral's Nine Neighbourhoods. It also names who the Lead Practice Managers and GP Co-ordinators are.

Each of the nine Neighbourhoods are aligned with four Localities across Wirral which are the same as the four Parliamentary Constituencies: Birkenhead, South Wirral, Wallasey and West Wirral.

Each Neighbourhood comprises of a population roughly between 30,000 and 50,000 and whose Leadership team includes representatives from other health and care organisations.

A new NHS England policy document (see link below) reinforces the strategic direction of working at a 'place level'– Investment and Involvement (A five-year framework for GP Contract Reform to implement The NHS Long Term Plan. For example, from July 2019 all GP practices will be offered the opportunity to sign up to a Network Contract Direct Enhanced Service (DES) within populations of typically 30-50,000 patients. Within this DES further sub contracts will be offered from April 2020 for the following seven national service specifications:

- (1) Structured Medicines Review and Optimisation
- (2) Enhanced Health in Care Homes
- (3) Anticipatory Care requirements
- (4) Personalised Care
- (5) Supporting Early Cancer Diagnosis
- (6) CVD Prevention and Diagnosis
- (7) Tackling Neighbourhood Inequalities

Further detailed discussion regarding the implications of Neighbourhood working and the new Network DES will be discussed at the GP Members meeting on Wednesday 20<sup>th</sup> February 2019.
