Re: Freedom of Information Request – Continuing Health care (CHC)

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 20th August 2019.

You Asked for:

Please could you provide me with the following information regarding NHS continuing health care (CHC) payments in the five years up to the end of the 2018-2019 financial year (April 6):

1. The amount of funding the Clinical Commissioning Group (CCG) has paid out as a result of retrospective CHC claims, broken down by year.
2. The number of people who have had their CHC funding withdrawn, broken down by year.
3. The number of people who have undergone reassessments for their CHC funding, broken down by year.

Our Response:

Please note: We can only respond for the periods of 2018/2019 for questions 2 & 3. This is due to reassessments only being separately identified in a reportable format since 2018. Data prior to that is not available.
