Re: Freedom of Information Request – Continuing Health Care (CHC)

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 11th November 2019.

You Asked for:

Please provide the details of the test applied by NHS Wirral Clinical Commissioning Group (CCG) to NHS Continuing Healthcare (CHC) assessments, the reference being Grogan versus Bexley NHS Care Trust.

“107, in that consideration in my view, the care trust should 1) Identify the test it applies.

Our Response:

NHS Wirral Clinical Commissioning Group (CCG) applies the Coughlan test in relation to Continuing Healthcare (CHC) eligibility. If found not eligible, the Grogan test is then applied.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.

For information where the copyright is owned by Wirral Clinical Commissioning Group please e-mail foirequests.nhsWirralccg@nhs.net to request a reuse licence.

For information where the copyright is owned by another person or organisation you must apply to the copyright owner to obtain their permission.
