**Re: Freedom of Information Request – Helicobacter Testing**

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 14<sup>th</sup> November 2019.

**You Asked for:**

The request I would like to make is for how much money the Clinical Commissioning Group (CCG) (or similar) spent in the last 2 available years of data on Helicobacter pylori testing using Diabact, INFAL or pylobactell test kits.

**Our Response:**

Unfortunately, NHS Wirral Clinical Commissioning Group (CCG) is unable to answer this question, as we do not have the ability to identify the data to this level of granularity.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)
