Re: Freedom of Information Request – Circumcision of male patients

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 24th August 2020.

You Asked for:

1. I would like to know how many such circumcisions were carried out by NHS Wirral Clinical Commissioning Group (CCG) in the years 2018 and 2019, or any similar time period for which records are readily available.
2. If possible I would like to be provided with a breakdown of the ages of the patients at the time of the procedure; either in the way in which this information is already recorded by yourselves, or alternatively in the following way:-
 - ages 0-5
 - ages 6-11
 - ages 12-17
 - ages 18+
3. I would also like a list of the hospitals or other NHS Wirral CCG facilities that have carried out this procedure in the time period set out above or in a similar time period. Or alternatively, other non-NHS Wirral CCG facilities, such as those falling within the jurisdiction of another CCG or those in the private sector.

Our Response:

Please see the attached spreadsheet for further information.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)
