**Re: Freedom of Information Request – Withdrawn treatment**

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 24<sup>th</sup> August 2020.

**You Asked for:**

Could you please provide an up to date list for the period January 1<sup>st</sup> 2017 to August 31<sup>st</sup> 2020 of all operations, tests, treatments and medical procedures withdrawn as a result of routine NHS funding.

**Our Response:**

The procedures of Limited Clinical Priority have been updated twice since January 2017. The latest version is available on the NHS Wirral Clinical Commissioning Group's (CCG's) website. The document clearly indicates all procedures that were updated as part of the April 2019 amendments. These are indicated "Updated" in the first column. I have included a link below for your information:

<https://www.wirralccg.nhs.uk/about-us/policies/procedures-of-low-clinical-priority/>

The previous version of the policy, which has been attached, was updated and published on the 1<sup>st</sup> April 2017. Amendments to the policy are indicated with the word "New" in the first column.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)
