Re: Freedom of Information Request - Private GP Practices

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 27th April 2021.

You Asked for:

1. How many GP practices in your Clinical Commissioning Group (CCG) area are owned by private companies?
2. Please state:
 - a. The name of the practice.
 - b. Who is it run by.
 - c. When it was taken over by this company.
 - d. How much money it was sold for.
 - e. Please say if this was done after public consultation or not.

Our Response:

There are no GP practices on the Wirral owned by private companies.

All Wirral GP practices are independent contractor businesses with the GP Partner(s) holding an NHS contract for the provision of medical services to their registered patients.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
