Re: Freedom of Information Request - Denosumab

Thank you for your request for information made under the Freedom of Information Act 2000, which was received into this office on 9th August 2021.

You Asked for:

Please could you provide the Local Enhanced Service (LES) scheme amount per patient per year for Prolia prescribing, injections and monitoring in Wirral primary care and how long this agreement is currently in place for? Any further information on this LES scheme would be appreciated.

Our Response:

Unfortunately, NHS Wirral Clinical Commissioning Group (CCG) are unable to provide you with an answer as we do not have a Local Enhanced Service (LES) that encompasses Denosumab injections.

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)

Re- Use of Information

Most of the information that we provide in response to Freedom of Information Act 2000 requests will be subject to copyright protection. In most cases the copyright will be owned by Wirral Clinical Commissioning Group. The copyright in other information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use, for example by publishing the information in analogue or digital form, including on the internet, will require the permission of the copyright owner.
