Re: Freedom of Information Request

Thank you for your request for information made under the Freedom of Information Act 2000 which was received into this office on 10th March 2022.

You Asked for:

- Please provide the mean RTT waiting time in weeks for people under the age of 18 accessing Cognitive Behavioural Therapy (CBT) in the area that you commission for.
- If this could be narrowed down to CBT for depression and anxiety then that would be preferable, but if this is not possible then please provide the information for any CBT.
- Please do this for the current or most recent data that you have for this.

Our Response:

Unfortunately, NHS Wirral Clinical Commissioning Group does not hold the requested information and our Mental Health Commissioning Manager has advised for you to contact Cheshire and Wirral Partnership NHS Foundation Trust (CWP) who operate Child and Adolescent Mental Health Services (CAMHS), the provider of CBT.

Please note their contact information is included below for your information, should you wish to contact them direct:

CWP: cwp.foi@nhs.net

We hope this information is useful, however if you require any further information please do not hesitate to contact a member of the Corporate Affairs Team (contact details at the top of this letter)
