Your Request:

I would like a copy of the pathology network maturity self-assessment tool compiled for “Cheshire and Merseyside Pathology Network (North 4)” and sent to NHS England in 2022. This was a standardised matrix built by NHSE and sent out to all pathology networks to fill in and send back. I would like your completed document, with the information you sent to NHS England.

Our Response:

NHS Cheshire & Merseyside ICB does not hold a copy of the pathology network maturity self-assessment tool compiled for Cheshire and Merseyside Pathology Network (North 4) and sent to NHS England in 2022. NHS Cheshire & Merseyside ICB understands that completion of this pathology network maturity self-assessment tool will have been undertaken by the Cheshire and Merseyside Pathology Network (CMPN).

You may therefore wish to contact NHS England directly to request a copy of the pathology network maturity self-assessment tool compiled for Cheshire and Merseyside Pathology Network (North 4) and sent to NHS England in 2022. NHS England can be contacted for Freedom of Information requests via the following email address: england.contactus@nhs.net
