Your Request:

It would be helpful if you could advise me of the monthly cost (to you) if I were to stop using my own vehicle and relied on transport provided by the contractor to and from hospital.

**That being from XXX XXX to XXX XXX
3 return journeys per week - monthly cost to nearest £50 is fine.**

Please treat this as an FOI request.

Our Response:

NHS Cheshire & Merseyside ICB does not hold information specifically detailing the monthly cost from the commissioned Patient Transport Service (PTS) specifically for the journey details listed in your request. However, for information NHS Cheshire & Merseyside ICB commission PTS services from West Midlands Ambulance Services, which has a charge of £13.37 for a 10-mile journey. Please note that this charge includes providing a call centre and other additional PTS contract requirements outside of the specific transport itself.
