

Ref: FOI/00148/CMICB
25 November 2022

Your Request:

Please see the link for my Freedom of Information Request to NHS Liverpool Clinical Commissioning Group - https://www.whatdotheyknow.com/request/the_provision_of_telehealth_tech#incoming-2159875

Regarding question 8, I have referred to the Procurement Decision Register but as the start date was 17th November 2017, this does not appear on the Liverpool CCG Procurement Register as this only dates back to 2018. Please could you refer to question 8, "Who is the senior officer (outside of procurement) responsible for this contract", and provide details of the senior officer (outside of procurement) responsible for this contract.

Our Response:

The senior person responsible for the above referenced contract at the time of response was NHS Liverpool CCG's Head of Transformation & Programmes.
